November 21st 2011,

Dear Sponsor,

TO WHOM IT MAY CONCERN

The Wings of Hope is a UK registered charity (No 1099685) which provides free education to poor and orphaned children in its project schools in India and Malawi.

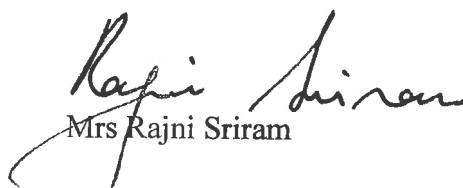

The Wings of Hope also runs a very successful national award scheme for British Secondary School students called the Wings of Hope Achievement Awards. This award scheme encourages the students to get involved in their own creative fundraising events whilst learning and developing exceptional skills. The Wings of Hope Achievement Awards formally recognises and rewards these students for their efforts by offering them valuable work experience placements with our corporate partners. Furthermore there will also be a chance to win an all expenses paid trip to visit our school project in India.

We confirm that the student(s) bearer of this letter are fundraising on behalf of The Wings of Hope.

For further information please do visit our website: www.thewingsofhope.org. Or please do email or call to speak with me.

Thanking you,

With best regards,

Mrs Rajni Sriram
